The International Journal of Innovation, Creativity and Change (IJICC) seeks to promote and foster scholarly work that informs and promotes the phenomena of innovation, creativity and change in all fields of endeavour. More specifically *IJICC* seeks to publish those papers that have the capacity to be influential in their fields or across fields and that will significantly advance understanding in those fields.

Submitted papers should present novel and broadly important data, syntheses, or concepts. They should merit the recognition by the scientific and academic community and more generally the general public. IJICC welcomes submissions from all scientific, academic and social innovation based disciplines. IJICC is committed to the prompt evaluation and publication of submitted papers on-line.

For a submission to IJICC authors must agree to Publication Terms and Conditions. (<https://www.ijicc.net/index.php/publication-terms-and-conditions>) Submission indicates the terms and conditions are agreed to.
