EECSI 2017 CONFERENCE

Electrical Engineering, Computer Science and Informatics

September, 19-21, 2017
Venue: Grand Mercure, Yogyakarta

2017 4th International Conference on Electrical Engineering, Computer Science and Informatics (EECSI 2017) will be held on September 19-21, 2017 in Yogyakarta, Indonesia. This conference is hosted by Universitas Ahmad Dahlan and is jointly organized with Universitas Gadjah Mada, Universitas Diponegoro, Universitas Sriwijaya, Universitas Islam Sultan Agung, Universitas Muhammadiyah Malang, Universitas Budi Luhur and IAES Indonesia.

We have the pleasure to invite you to participate and encourage to submit your worthy papers to the 4th IAES EECSI 2017, potential topics in this conference include, but are not limited to:

- Power Engineering, Power System and Protections
- Electric Power Transmission and Distribution
- High Voltage Engineering and Insulation Technology
- Renewable Energy Sources, Smart-grids Technologies and applications
- Energy Policy, Security, infrastructure, Growth and Economics
- Power Electronics and Drives System
- Control, Automation, and Robotics
- Semiconductors, Microcontrollers and Electronics Technologies
- Electronics and Photonics
- Electromagnetic Waves and Field
- Wireless Telecommunication and Networking
- Remote Sensing and Data Interpretation
- Signal, Image, Video and Multimedia Processing
- ICT for Electrical and Electronics Applications
- Computer Network and Information Security
- High Performance Computing and Communication
- Data Mining, AI & Machine Learning, Deep Learning and Software Engineering
- Information, Internet of Things and Internet Technology

All accepted, registered and presented papers will be submitted to IEEE Xplore® Digital Library. All uploaded papers in IEEEXplore will be normally indexed in Scopus database. The excellent accepted papers after extension and modification will be published in SCOPUS indexed journals (additional charge applies):

International Journal of Electrical and Computer Engineering

International Journal of Power Electronics and Drive Systems

TELKOMNIKA Telecommunication Computing Electronics and Control

Journal of Electrical Systems
