Dear Prof.

Thank you for giving us to publish in the Eurasian Chemico Technological Journal.
Could you check the DOI for the articles published in the current edition (Vol. 20 No. 4 (2018)).
I think there is something wrong with the DOI.

Thank you.

Sincerely yours,

Dear Editor,

Can you correct the name of my co-author. In the ECTJ web, it is written as L. Hermide. It should be L. Hermida. Scopus and Google Scholar cannot recognize this published article to her records.

Thank you very much for your kind attention.

Sincerely yours,
