

LETTER OF ACCEPTANCE

Dear,

Abdurrahman*, Doni Andra, Agustina Linda , Novinta Nurulsari, Hervin Maulina, Ismu Sukamto.

After peer reviewing your paper, It's our pleasure to inform you that,

“Teacher’s belief, expectation, and student’s intention towards augmented reality in learning physics during the pandemic”

Has been **“ACCEPTED”** with content unaltered to publish in **Jurnal Pembelajaran Fisika** on Volume 8 Number 2 (December 23, 2020).

In order to fit into the publishing and printing schedule, please re-submit your complete publication package by directly replying this acceptance email within 7 days so we can make your article available online/print in the next issue (usually at the end of each month), if you failed to prepare your complete files on time, the publication of your article might be delayed.

Though the reviewers of the journal already confirmed the quality of your paper's current version, you can still add content to it, such as solidifying the literature review, adding more content in the conclusion, giving more information on your analytical process and giving acknowledgment. Then, you need to prepare your paper based on the attached **“publication_package_instruction.pdf”**.

Thank you very much for your submission to our journal and for making the journal a vehicle for your research interests.
