Dear authors:

Please complete the revision until 21 Feb 2019. If you can not address the revision until 21 Feb 2019, the paper will be rejected.

Indonesian Journal of Science and Technology, "Application of Artificial Neural Network to Predict Bio-diesel Yield from Waste Frying Oil Transesterification".

Please find the following comments:

Reviewer 1:

Authors wrote well. Minor correction: Discussion must be compared with references. Other is OK.

Reviewer 2:

1. Please complete the author names.
2. The authors should briefly explain the content of data training used in this research.
3. The authors should present the parameters assigned in the experiments.

Best regards,

Editor

Dear Dr. Herdiana,

I've revised the manuscript according to the reviewer recommendations.
I've also uploaded the file through OJS.
In case there is a problem, I also attached the revised file here.
If there is any thing I can do, please let me know.

Regards,

Agus Haryanto

Dear Dr. Nandiyanto

Just curious on my manuscript with ID 15334 and tittle:

Application of Artificial Neural Network to Predict Bio-diesel Yield from Waste Frying Oil Transesterification.

I have completed and uploaded the revised manuscript long time ago.

But the status is still "[In Review: Revisions Required](#)"

Is there anything else I can do?

Thank you in advance and I am looking forward to hearing from you soon.

Agus Haryanto
