Dr Agus Haryanto:

Thank you for submitting the manuscript, "Effect of Hydraulic Retention Time on Biogas Production from Cowdung in A Semi Continuous Anaerobic Digester" to International Journal of Renewable Energy Development. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL:

<https://ejournal.undip.ac.id/index.php/ijred/author/submission/19053>

Username: agusharyanto65

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

H. Hadiyanto  
International Journal of Renewable Energy Development

Dear Dr Agus Haryanto

Your manuscript submitted to International Journal of Renewable Energy Development, entitled "Effect of Hydraulic Retention Time on Biogas Production from Cowdung in A Semi Continuous Anaerobic Digester" has been subjected to review process by IJRED reviewers who are experts in the related fields. Enclosed please find the reports from these reviewers.

Based on the reviewers' recommendations, I am delighted to inform you that your manuscript has been ACCEPTED for the International Journal of Renewable Energy Development.

We will proceed your manuscript to layout editor and send the proof to you for final correction. Please note that there will be no more revision allowed after this stage is reached.

Thank you very much for submitting your article to the International Journal of Renewable Energy Development. I look forward to receiving the revised version of your manuscript.

Sincerely,

Prof. Dr H Hadiyanto  
Center of Biomass and Renewable Energy (CBIOR), Diponegoro University  
[hadiyanto@live.undip.ac.id](mailto:hadiyanto@live.undip.ac.id)

=====

Comments

This can be accepted after addition information of Kinetic of biogas production. Please add Gompertz model for fitting in Fig 6.  
Describe all parameters obtained.

AGUS HARYANTO &lt;agus.haryanto@fp.unila.ac.id&gt;

Dear Prof. Hadiyanto,

Eid mubarak, minal aidin wal faizin.

Just to let you know that I have revised the manuscript.

The revised version has been successfully uploaded through OJS.

In case there is a problem, I attached the file here.

Thank you very much.

Dr. Agus Haryanto

Dear Dr Haryanto

Please do respond on the following questions:

1. Improve the quality of Fig 6
2. What are the definition of Digester A,B,C,D in Table 5?. It was not explained before

Kind regards

Hadiyanto

Dear Dr Haryanto

Would you send us the original data excel file of Fig 6 so we can edit it for high quality Fig. The current form is out of standard

Hadiyanto

| Dear Dr Agus Haryanto

Herewith I send the proof of your manuscript which will be published in Vol 16(2) July 2018. Please carefully check the proof and return the final revision and after that there is no opportunity anymore for the change.

Please also confirm the minor question:  
What are the unit of C and N in Table 1?.

The revised proof with different colour for your changes must be returned as soon as possible (within 1 week).

For the article processing cost of 150US, please kindly transfer to the account:

Dear Prof. Hadiyanto,

I have through with the proof version.  
I'm very sorry that Figure 7 and Figure 9 I prepared with the reversed order so that inconsistent with Figure 5.  
Also Table 3 is arranged in reversed order.  
In References, there are 4 sources using "and" instead of "&".  
I put sticky notes on the pdf file.  
Enclosed is summaries for revision.  
If you think this is to much work, I'll be pleased to help if you can send me word file of the proof version.  
Last: C and N is in %

Best regards,

Agus Haryanto
