You will be unable to make your revisions on the originally submitted version of the manuscript. Instead, revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the track changes mode in MS Word or by using bold or colored text.

Once the revised manuscript is prepared, you can upload it and submit it through your Author Center.

When submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to the Journal of Sustainability Science and Management, your revised manuscript should be submitted by 02-Jul-2020. If it is not possible for you to submit your revision by this date, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to the Journal of Sustainability Science and Management and I look forward to receiving your revision.

Sincerely,
Prof. Mhd Ikhwanuddin

Comments to the Author
In general, Research on Self-help groups and food security is interesting research in developing countries because of so many problems regarding food security and poverty.

Comments
1. Part of Introduction: Author's needs to explain in detail and specifics problem of this research. Why this research is carried out and what are the expectations of this research.
2. In the introduction, the authors have explained the novelty of this study, but the authors must try to add and explain more specific and detail the novelty of this research.
3. Authors need to briefly explain the history/story of PRMK program (when it starts, type of program, focus, problems, and others) in the first part of Results and Discussion
4. In the conclusions section, connect and discuss the conclusions/research findings with the current phenomenon about food security.
5. The author needs to improve English to make it better.
