INITIAL ACCEPTANCE LETTER

Dear Prof. Maria Erna Kusyawati, Otik Nawansih, Sili Nurdjanah,

nurdjanah_thp@unila.ac.id

After having carefully evaluated your article titled "PROFILE OF AROMA COMPOUND AND ACCEPTABILITY OF MODIFIED TEMPEH" and taken the referees' advice into consideration, the editors came to the conclusion that your paper is suitable for publication in our Journal. In order to save time, the referees communicated their opinion to us verbally. As part of our evaluation process, we normally ask the opinion of two referees who are experts in the relevant field of research. The paper is also read by the editor. If both of the referees and an editor concur in their view, their decision is final. We consult a third referee if there is a difference of opinion. In order to expedite the proceeding, which is one of the objectives of the journal, we do not require a full report on the paper from the referees.

The choice of referees and the fact that we require a consensus view between the referees and an editor ensures, however, that the process is as fair as possible. We will include your article in the forthcoming issues of the journal upon receipt of the publication fee.

We would like to remind you that the publication fee for EJSR is \$400. Please pay this amount in full.

PLEASE MENTION THE INVOICE NUMBER "2871" IN THE PAYMENT DETAILS OF THE TRANSACTION IF YOU ARE MAKING A BANK TRANSFER. AUTHOR NAMES SHOULD ALSO BE MENTIONED IN THE TRANSFER DETAILS.

You are required to pay your publication fee so that we can publish your article. Please see: <http://www.eurojournals.com/1.htm> for further details.

It is very important for us to publish your article without any delay. Therefore, we kindly ask you to please follow these instructions to avoid any delays in publishing your article.

- 1- After you make your payment, Proof-read your article for the last time and send the final version of your article in the journal's format to <mailto:office@eurojournals.com> office@eurojournals.com
- 2- Unless you send the final copy of your article to this address in MS-Word format, its publication may be severely delayed.
- 3- Please include your payment information (Zcheckout.com Order ID, if paid by credit card, and the name of the sender and the date of the transfer, if paid by bank transfer) in your e-mail.
- 4- In your e-mail, please clearly mention the name of the journal. If you do not specify the name of the respective journal publication of your article may be severely delayed.
- 5- Please be advised that no proofs will be sent to you for correction and under no circumstances any further changes will be accepted on your article after this point (except those required due to mistakes in publishing process)
