Dear Prof/Assoc. Prof/ Dr/Mr/Mrs/Ms,

Warmest greetings from ESTIC'18.

We would like to inform you regards to the publication matters of your paper.

Your paper has been review and evaluated by the Scientific Committees for publication in International Journal of Engineering and Technology (UAE). The paper has to **follow the IJET format** as determined by the editorial board of IJET. The template is attached together.

The report was positive and the reviewer indicated that the paper is ready to **publish after a few additions/corrections have made**. All the reviewer's comments are given in the file attached along; the following are the mandatory revisions taken from this review.

If you choose to revise your manuscript, it **will be due by 25th December 2018**. **Please note that this is a strict deadline**. Any papers received after this deadline will be withdrawn.

When submitting your revised paper, please include the following item:

**Response to Reviewers (mandatory)**

This have to be a separate file labelled with "*Response to Reviewers*" that addresses all issues raised from the reviewer/s and please mention the page, paragraph, and line number of any revisions that made.

Kindly use the your manuscript reference number with all correspondence concerning this paper.

Thank you.
