Dear Dr. Sugeng Triyono

Your manuscript has been passed the reviewers and can be accepted for presentation and publication. However, Before the final acceptance you have to make its format as per journal requirements.

1. Please, shorten it to not more than 10 pages of the template format
2. Please, shorten the list of the references to 10 points
3. Please, make format of the manuscript using the attached template
4. Please, send the manuscript directly to me and attach a separate RDF file with your references which can be created by exporting references used in the manuscript from ZOTERO

This must be done as soon as possible but not later than Friday, September 11, 2020

Looking forward to your letter soon

Best regards,
Dr. Andrey Kuzmin
Scientific Chairman of the Conference

EIAETM 2020 ZOOM link

From: Andrey Kuzmin (andrey.kuzmin@triacon.org)

To: mailing@triacon.org

Date: Saturday, October 17, 2020, 09:01 PM GMT+7

Dear Colleagues,

The Conference "Environmental Innovations: Advances in Engineering, Technology and Management" will start on Monday 19 October 2020 at 13:40 (1:40pm) UTC+03 (Kiev, Ukraine)

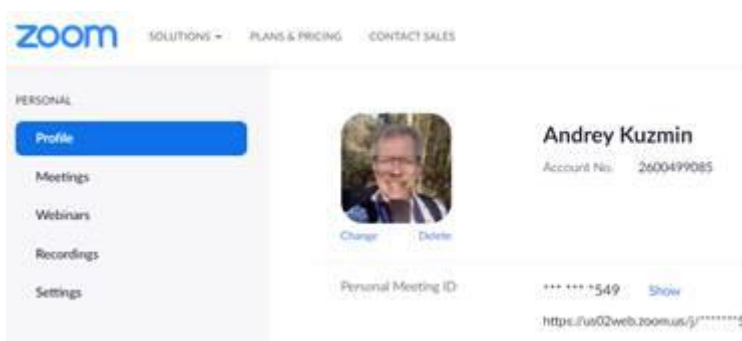

The registration link for the Conference is here:

<https://us02web.zoom.us/meeting/register/tZEtceCoqD8oH9abywwEhtbLzIcvYvWju4jy>

After registering, you will receive a confirmation email containing information about joining the conference.

There are a few recommendations and comments below which are important.

1. Go through registration procedure and settings in advance.
I recommend you to do this during the weekend, so that any issues could be resolved before the event
2. The Conference language is ENGLISH. The registration data must be filled in ENGLISH.
3. If you already have ZOOM account your details will be taken from that account.
In this case, **please, be sure of that your details in Zoom are in ENGLISH. If they are in another language, please, change them to ENGLISH.**
4. Please fill in your details in the form "First Name" "Last Name" so that we can identify you.
5. Although we do not prohibit showing video from your camera, in many cases this leads to a deterioration in voice transmission
Therefore we, usually, recommend to stop webcam video streaming.
When your webcam is disabled ZOOM show your avatar.
Therefore, I highly recommend you to add a photo to your ZOOM account.
For this please go to the <https://www.zoom.us> --> Sign In --> (Log with your credentials) -> Profile -> add/change photo

Please, do not use fake pictures. :-)

6. The registration link above is used one time, and then allows registered users to attend all the days of the conference without additional registration.

7. Please, download ZOOM application. Browser based software is limited and doesn't allow you using some important features.

8. All the presentation will be shown FROM your side, i.e. from your PC (or another device) So, the presentation format depends only on your wish and skills. You have full control over the presentation. In the case of some participant has bad internet connection, the animations can move intermittently. Please keep this in mind.

9. For now we allow all the participants to join the meeting and share their screen for test ZOOM features and work with presentations, notations, whiteboard etc. WITHOUT host of the meeting (ME) presence. Feel free to use this. On Monday the meeting options will be changed to more strict and only host will control screen sharing.

10. Please, feel free to share the link above with all your co-authors. All of them has full access to the conference.

11. You are welcome to share the registration link with your colleagues and any peers who are **not participants**. As **LISTENERS** they can attend any session **free of charge**.

In some cases we can consider the possibility for their participation in the discussion. In this case, please, write me direct email

Sincerely yours,

Dr. Andrey Kuzmin
