Dear Ujang,

I am checking now and will get back to you.

Our division lost all but two people so a bit of chaos ensued last month but I will let you know later today.

Did we send you a Letter of Acceptance yet?? - if not will do today

Paul

Dear Ujang,

Thanks for your email.

The paper still needs some intensive reviewing (see attached)

I do recommend you get another editor to give it a final proofing once you have made the changes. Remember the people who read the journals are very highly skilled in the English language so it is important your paper not contain errors of English. We know from statistics that good well written papers get well cited.

We have editions in all journals coming up so when you send it back we can discuss journal is most suitable to you and your co authors.

Best

Paul
