## Call For Research Papers - 2021

International Journal of Scientific & Technology Research is an open access international journal from diverse fields in sciences, engineering and technologies that emphasizes new research, development and their applications.

Papers reporting original research or extended versions of already published conference/journal papers are all welcomed. Papers for publication are selected through peer review to ensure originality, relevance, and readability.

IJSTR ensures a wide indexing policy to make published papers highly visible to the scientific community.

IJSTR is part of the eco-friendly community and favors e-publication mode for being an online 'GREEN journal'.

**ONLINE SUBMISSION**

## CALL FOR PAPERS

We invite you to submit high quality papers for review and possible publication in all areas of engineering, science and technology. All authors must agree on the content of the manuscript and its submission for publication in this journal before it is submitted to us. Manuscripts

should be submitted via [online submission](#)

#### **CALL FOR REVIEWERS**

IJSTR welcomes scholars those are interested in serving as volunteer reviewers. Reviewers should indicate interest by sending their full curriculum vitae to us. Reviewers determine submissions that are of quality. Since they are expected to be experts in their areas, they should comment on the significance of the reviewed manuscript and whether the research contributes to knowledge and advances both theory and practice in the area. Interested reviewers are requested to submit their CV and a brief summary of specific expertise and interests at [editorialboard@ijstr.org](mailto:editorialboard@ijstr.org)

#### **RESEARCH PAPER PUBLISHING POLICY**

IJSTR publishes articles that emphasizes research, development and application within the fields of engineering, science and technology. All manuscripts are pre-reviewed by the editorial review committee. Contributions must be original, not previously or simultaneously published elsewhere, and are critically reviewed before they are published. Papers, which must be written in English, should have sound grammar and proper terminologies.

#### **IJSTR PUBLICATION AIM & SCOPE**

IJSTR is an international peer-reviewed, electronic, online journal published monthly. The aim and scope of the journal is to provide an academic medium and an important reference for the advancement and dissemination of research results that support high-level learning, teaching and research in the fields of engineering, science and technology. Original theoretical work and application-based studies, which contributes to a better understanding of engineering, science and technological challenges, are encouraged.
