Dear Editor of IJI,

We have revised the article based on the reviewers' amendments. Below are the explanations of revision:

- 1) The title has been adjusted and the unclear sentences in abstract and other parts of article have been revised.
- 2) The difference of MIM and WhatsApp is clear enough in the beginning of introduction that MIM is a general term of instant messaging application accessed by using mobile devices, for example WhatsApp, Telegram, Line, etc.
- 3) Explanation about blended learning asked by reviewers has been stated in the last paragraph of Introduction
- 4) The explanation about WhatsApp has been reduced
- 5) The recommendations have also been added and improved.
- 6) We have also revised the language aspect based on reviewers' recommendations and the proofreading result of an english expert.

Thank you very much for giving us a chance to publish our article in IJI. We apologize in case of late sending this article and we look forward to hearing from you.

Best regards,
