Hindawi

Dear Dr. Ade Yonata,

Thank you for choosing Hindawi to publish your manuscript

We are pleased to inform you that your manuscript, The Association between Activin A Serum Level and Carotid Intima-Media Thickness in Chronic Kidney Disease Patients, has been accepted for publication in the [journal, International Journal of Nephrology](#). We will be in touch shortly to request electronic files for your manuscript. The publication process will begin upon the receipt of these files.

As an open access [journal, International Journal of Nephrology](#) has an associated Article Processing Charge of USD 900. The total charges for your manuscript 8893653, before any taxes, is USD 950.

VAT charges may apply depending on the country of the individual or institution being billed. Individuals resident in the UK or an EU Member state will be charged VAT. Institutions registered in the UK or an EU Member state should also provide their VAT number when completing the payer information. VAT is calculated at the applicable rate, currently 20%, on the net USD amount and this VAT charge will be available for review on the invoice prior to confirmation.
