IJMEMS

Dear **Aang Nuryaman**,

Your manuscript entitled **Image Cryptography Based On A Second-Order QRT Difference Equation** co-authored with Agus Sutrisno,Ahmad Faisol,Muslim Anshori is received.

Your manuscript ID is **IJMEMS-21-0580**.

Please refer to the manuscript identification number of your manuscript in any correspondence with us.

We assume that this manuscript is original, previously unpublished, and not being considered for publication by any other journal or conference. If this is not the case, please let us know immediately.

We will not consider manuscripts that are under review or have been accepted by another journal. Also, the similarity of your manuscript should be below 15%. Kindly note that first review will be complete in 1-8 months.

Yours sincerely,

Editor,

International Journal of Mathematical, Engineering and Management Sciences.

IJMEMS

Your Submission-IJMEMS-21-0580_Major Revision Required

Dear **Dr. Aang Nuryaman, WITH CC TO ALL AUTHORS**

We have received the review reports from our advisors on your manuscript. Based on the advice received, we feel that your manuscript could be reconsidered for publication should you be prepared to incorporate reviewer comments/editor's comments. When preparing your revised manuscript, you are asked to carefully consider the reviewer comments/editor's comments, **which can be found in "Reviewer Comments" clicking on "Review Comments"** and submit a list of responses (write a reply to each comment) to the comments with your revised manuscript. Editor's Common Comments can be downloaded from this [link](#).

Highlight the changes by the **YELLOW COLOUR** in your revised manuscript.

Kindly note that the number of words in the revised manuscript should not be decreased.

Before the revised manuscript submission, kindly go through the journal Guidelines for Authors at <https://ijmems.in/forauthors.php> and the latest published issue, very very carefully.

Kindly submit your all materials (all comment replies; anonymous revised manuscript pdf file; revised manuscript in .docx file with author names, conflict of interest and acknowledgement statements) within **30 days** after receiving this email, through your login user id at IJMEMS submission system link <https://submission.ijmems.in>

After login, you have to click the "Under Revision" tab in left-hand side links, then click "Edit" under the "Action" tab, and then follow the instructions given on the screen to upload the revised manuscript.

Your username is: aang.nuryaman@fmipa.unila.ac.id If you forgot your password, you can click the 'Send Login Details' link on the IJMEMS submission system.

The revised submission is not the guarantee of acceptance of your article. It will depend on "How correctly authors have applied the reviewers and editors suggestions?"

With best wishes,

Editor, International Journal of Mathematical, Engineering and Management Sciences.

Decision on Your Submission-IJMEMS-21-0580_Conditionally Accepted

Manuscript ID: **IJMEMS-21-0580**

Manuscript Title: **Image Cryptography Based On A Second-Order QRT Difference Equation**

Dear Dr. Aang Nuryaman WITH CC TO ALL AUTHORS

We are pleased to inform you that your manuscript has been conditionally accepted for publication in the "*International Journal of Mathematical, Engineering and Management Sciences*". Final acceptance will be done after receiving the extra page charges (if any).

In the coming days, we will inform you about the exact amount of extra page charges through email in eicjmems@ijmems.in. Kindly note that in case of non-receiving the extra page charges (if any), your manuscript will not be published in IJMEMS.

After receiving the extra page charges, you will receive the proof of your paper.

Kindly consider the "International Journal of Mathematical, Engineering and Management Sciences" for your future manuscripts.

Kindly cite International Journal of Mathematical, Engineering and Management Sciences published papers in your future research.

Thanks and best regards.

Editor, International Journal of Mathematical, Engineering and Management Sciences

IJMEMS

Dear **Dr. Aang Nuryaman**,

It is with great pleasure to inform you that your article has been published in the *International Journal of Mathematical, Engineering and Management Sciences*.

Many thanks for your contribution to IJMEMS.

Kindly cite IJMEMS published article(s) in your future research which are related to your research areas only.

Kindly consider IJMEMS for your future research articles for possible publications.

Sincerely,

Editor,

International Journal of Mathematical, Engineering and Management Sciences.
