Dr. Ahmad Faisol:

Thank you for submitting the manuscript, "FORECASTING SEASONAL TIME SERIES DATA USING THE HOLT-WINTERS EXPONENTIAL SMOOTHING METHOD OF ADDITIVE MODELS" to Jurnal Matematika Integratif. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <http://jurnal.unpad.ac.id/jmi/author/submission/29293>
Username: afaisol

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Dr. Ahmad Faisal:

We have reached a decision regarding your submission to Jurnal Matematika Integratif, "FORECASTING SEASONAL TIME SERIES DATA USING THE HOLT-WINTERS EXPONENTIAL SMOOTHING METHOD OF ADDITIVE MODELS".

Our decision is to: Article Need Revision

To be published, the paper still needs to be improved:

1. References must be added up to 15-20 references with most of the are recent journal publications.
2. Complete the introduction with a state-of-the-art explains the previous researches on the same topics.
3. State your problem and approaches to claim the novelty of your research.
4. In the conclusion, it state that "The results of forecasting the number of passengers departing aircraft at Hasanudin Airport have increased continuously every month", then what is the recommendation for the airport manager?

Please re-submit your revision before November 17, 2020 via JMI Open Journal System.
