Dear Dr. Pangaribuan:

Your manuscript entitled "Liquid organic fertilizer from plant extracts improves the growth, yield, and quality of sweet corn (*Zea mays* L. Var. *saccharata*)" has been successfully submitted online and is presently being given full consideration for publication in the Journal of Tropical Agricultural Science.

Your manuscript ID is JTAS-1698-2019.R1.

Please mention the above manuscript ID in all future correspondence or when calling the office for questions. If there are any changes in your street address or e-mail address, please log in to ScholarOne Manuscripts at <https://mc.manuscriptcentral.com/upm-jtas> and edit your user information as appropriate.

You can also view the status of your manuscript at any time by checking your Author Center after logging in to <https://mc.manuscriptcentral.com/upm-jtas>.

Thank you for submitting your manuscript to the Journal of Tropical Agricultural Science.

Sincerely,
 Journal Officer
 Journal of Tropical Agricultural Science Editorial Office

Dear Dr. Pangaribuan:

Recently, you received a decision on Manuscript ID JTAS-1698-2019.R1, entitled "Liquid organic fertilizer from plant extracts improves the growth, yield, and quality of sweet corn (*Zea mays* L. Var. *saccharata*)." The manuscript and decision letter are located in your Author Center at <https://mc.manuscriptcentral.com/upm-jtas>.

This e-mail is simply a reminder that your revision is due in two weeks. If it is not possible for you to submit your revision within two weeks, we will consider your paper as a new submission.

You may also click the below link to start the revision process (or continue the process if you have already started your revision) for your manuscript. If you use the below link you will not be required to login to ScholarOne Manuscripts.

*** PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. ***

Dear Dr. Pangaribuan:

It is a pleasure to accept your manuscript entitled "Liquid organic fertilizer from plant extracts improves the growth, yield, and quality of sweet corn (*Zea mays* L. Var. *saccharata*)" in its current form for publication in the Journal of Tropical Agricultural Science.

An official acceptance letter will be sent to you from my office in due course of time.

By the way, please fill in the attached copyright form and send it back to journal.officer-1@upm.my asap.

Thank you for your fine contribution. On behalf of the Editors of the Journal of Tropical Agricultural Science, we look forward to your continued contributions to the Journal.

Sincerely,
Prof. Dato' Dr. Abu Bakar Salleh
Chief Executive Editor, Journal of Tropical Agricultural Science
