Dear Author,

Thank you very much for your manuscript submission.

Unfortunately, your manuscript does not meet our requirements:

1. This manuscript is too brief to be published in the Biodiversitas Journal. At least, you need to compose a 2000 words article from the introduction to a conclusion (table and figure are excluded)
2. Please write references based on author's guidelines. Kindly check and correct accordingly

Thank You

Regards,

Gilang Nugroho

Thank you very much
