It should emphasize new or important aspects of the study. Research limitations/implications, practical implications, and social implications should also be included, if relevant to your manuscripts.

Kindly respond to the evaluation and send your revised manuscript to [preview.hrpub@gmail.com](mailto:preview.hrpub@gmail.com) as soon as possible. Please track status of your manuscript through the Online Manuscript Tracking System.We will contact you again once a new decision is made on your manuscript.
