Dear Dr. Widyastuti,

I have now received the comments from the reviewers about your submitted paper IJAB-22-0249. The reviewers think that the paper can be considered for publication, but it needs to be improved in light of comments made thereon. In view of the recommendation of the reviewers, I invite you to revise your paper following the comments in the attached file and send the revised version, substantially improved, within a week for a second review. Please give due attention to the comments and highlights, if any. Please label the MS file as IJAB-22-0249.R1, while submitting the revised version. **Please indicate the revisions in different text color.**

You are further requested to include a separate file stating your responses to the comments/ queries made by the reviewer. Please explain why if you disagree with the comments of the reviewer

Please send the revised MS in the MS Word file format

Dear Dr. Widyastuti,
 Assalam-o-Alaikum

You will be pleased to know that your paper has been accepted for publication in its current form in the International Journal of Agriculture and Biology. However, publication of the article is subject to the payment of publication charges, correction of galley proof, and transfer of copyrights to FS publishers.

Dear Dr. Widyastuti,

Attached is the galley proof of your paper for correction if any. The GP has been prepared after editing by our Editors. Do not attempt to modify/correct the pdf copy. This is perhaps the final time your paper is with you before publication. So please read it very carefully, indicate LEGITIMATE corrections using the CORRECTION GRID and send within 7 days. Also please give full attention to highlights and BOLD fonts if any. Any delay from your side will delay the publication of your paper.

You are further requested to send a scan of the original signed Transfer of Copyright (TOC) form along with the corrections.

Dear Contributor,

Attached is the final published PDF of your paper. The paper will be made available online shortly.

We thank you for choosing IJAB as a medium for publishing your high-quality work. At the same time IJAB management hopes that you will keep on citing this paper in your papers submitted to journals other than IJAB

Best regards
