Dear Dr. Kusuma Adhianto,

We have received the reports from our reviewers on your manuscript, "PALM OIL WASTE BASED RATIONS OF ENRICHED SILAGE CASAVA LEAVES AND ORGANIC MICRO MINERALS ON GROWTH AND DIGESTIBILITY NUTRIENTS OF GOAT", which you submitted to Advances in Animal and Veterinary Sciences with MH20200630120657.

Based on the received comments, your manuscript could be reconsidered for publication, should you be prepared to incorporate Major Revisions.

The comments and requests of the Editor and the Peer Reviewers are included below. Please share this information with all coauthors of the manuscript.

Editor's Comments:

- Review the peer review comments and requests carefully, and edit the manuscript accordingly.
- Include a separate point-by-point response file addressing the reviewers comments along with an explanation of any request of the editor or the reviewers that you do not address in your revised manuscript. Your list of responses should be uploaded as a Cover Letter in addition to your revised manuscript.
- Please colour (e.g. red in contrast to black text) all changes in the revised manuscript, without such coloured changes the manuscript may be returned or rejected.
- Verify the placement and accuracy of each reference in your manuscript as well as the accuracy of all of the values in your tables and figures.
- Please ensure that all author's names and their affiliations are placed correctly.
- Make every effort to address the remaining concerns and to resubmit your manuscript. If you anticipate an additional delay, or if you do not wish to resubmit your manuscript, then please notify us as soon as possible.

Sincerely,
Editorial Office

Reviewer(s) Comments to Author:
Comments to the Author

The result of the research is very good. The language should be proofread although I rewrite a bit. What is the different between palm oil cake and palm kernel cake? and between fermented cassava leaves and cassava leave silage? are they different or the same?
In materials and method, there should be objective of the research.
Good novelty!
