Dear Yuli Ambarwati,

We have reached a decision regarding your full paper submission to International Conference on Science, Infrastructure Technology and Regional Development (ICoSITeR) 2019, "187 / **ANTIDIABETIC BIOACTIVITY TEST OF CHROMIUM (III) AND COPPER (II) COMPLEX COMPOUNDS ON MICE**".

Our decision is: Revisions Required

Please log in to your CMT3 to check the detail comments from reviewers.

Please make revisions needed and submit it before March 1, 2020.

Please highlight the revisions in the manuscript with yellow color. You can write answers or comments to the reviewer by inserting comments in Microsoft Word.

Regards,

International Conference on Science, Infrastructure Technology and Regional Development (ICoSITeR) 2019 committee.
